The JPO/IPR Training Program for FY 2022

Dear **Mr. Abu Hena Md. Rahmatul Muneem**,

First of all, we would like to express our sincere gratitude to you for the kind cooperation you have extended to us.

We are pleased to inform you that the Japan Institute for Promoting Invention and Innovation (JIPII) and the Association for Overseas Technical Cooperation and Sustainable Partnerships (AOTS) have been entrusted by the Japan Patent Office (JPO) again this year to organize the JPO/IPR Training Program for FY 2022. This training program has been held every year since 1996. There will be seventeen different courses this fiscal year, which participants will attend based upon their respective professions.

In connection with the above, we are sending you herewith "General Information on the JPO/IPR Training Program FY 2022 (GI)," which lists the training course for your country and explains the training contents and the targets. We are also enclosing other relevant documents. We would appreciate it if your office would nominate qualified candidates for the program in accordance with course requirements described in the GI and send the completed application documents to AOTS by the respective deadline.

Should you need further clarification, please do not hesitate to contact us at any time. Thank you very much in advance for your kind cooperation and support for the JPO/IPR Training Program.

Yours sincerely,

OGIYA Takao
Director General
Asia-Pacific Industrial Property Center
Japan Institute for Promoting Invention
and Innovation (JIPII)

TATEISHI Joji
Senior Managing Director
