Dear Mr. Abdul Rahman Khan

Warm Greetings from National Academy of Customs, Indirect Taxes & Narcotics (NACIN)!

2. I am pleased to inform you that NACIN, the apex training institution under the Central Board of Indirect Taxes and Customs (CBIC), Government of India, will be conducting a series of specialised international training programmes during the Financial Year 2026-27 under the Indian Technical and Economic Cooperation (ITEC) Programme of the Ministry of External Affairs.

3. These programmes are designed to strengthen institutional capacities in areas of mutual interest such as Trade facilitation, Passenger interdiction, Anti-Money Laundering and Countering the Financing of Terrorism, Strategic Trade Controls, Leadership in Public Service and Combating Illicit Trade. They aim to promote knowledge exchange, foster professional networks and enhance cooperation among partner administrations.

4. While primarily intended for Customs administrations, the programmes are open to eligible officers from other government agencies associated with the respective subject areas, including law enforcement, financial intelligence, regulatory and border management authorities. This approach encourages peer learning and provides an excellent platform for cross-sectoral engagement and exchange of best practices.

5. NACIN's state-of-the-art residential campus at Palasamudram offers a conducive environment for immersive learning and international collaboration. In the last financial year, the Academy hosted participants from over 45 partner countries under the ITEC framework reflecting the global relevance and growing recognition of these initiatives.

6. I would like to invite your esteemed administration to nominate **two to three suitable officers** for participation in these programmes. Details of the courses are available on the ITEC Portal of the Government of India at: https://www.itecgoi.in/courses_listinst?salt6=Okm57Eyj8VhczTuEFVtIhw== Nominations may be submitted through the prescribed ITEC channels and will be subject to selection by the Ministry of External Affairs and availability of seats.

7. I am confident that your officers will find these programmes professionally enriching and beneficial in further strengthening cooperation between our administrations.

8. In case of any further assistance or clarification, your office may kindly reach out to NACIN's International Cooperation and Training wing at **supict-nacin@gov.in**.

Please accept, Excellency, the assurances of my highest consideration.

With *best wishes*

Yours *sincerely*

M. *Subramanyam*
