Memo No. 08.01.0000.068.11.005.12(84)/2014/601

Date: 09/06/2015

**Notice inviting Application for Training of Trainers (TOT)  
(Phase-2)**

The VAT Online Project envisages different trainings for the NBR Staff for successful implementation of the VAT & SD Act, 2012 and developing VAT administration as a knowledge-based administration. Keeping this in mind, NBR requires development of a skill mass for conducting training programs concerning with the new VAT Law and Rules during the project period even beyond after completion of the Project.

In order, for development of the skill mass, to implement the training programs, the Training of Trainers (TOT) is essential. NBR has decided to conduct a TOT Course under Staff Training Strategy 2014-18 for the selected NBR Staff. The TOT Course is designed with all components of how to conduct a Training.

Initially, a short list of officers (Assistant Commissioner to Additional Commissioner) based on some pre-determined criteria will be made through an open invitation of interests by a committee. Then an interview will be conducted for final selection of the candidates who, upon approval of Chairman, NBR, will be nominated for TOT at a suitable Institute. The list of all Trainers will be published in NBR Website as Trainer as per the policy of Staff Training Strategy 2014-18. The trainers will conduct all trainings under the project and if indeed, in other areas under the administrative control of NBR.

In order to form the pool of TOT, NBR invites applications in specified form attached herewith from the interested candidates (Assistant Commissioner to Additional Commissioner) to submit their application form by 25 June, 2015. No need to apply those who have been selected through previous circular.

Application sending through email (zakir@nbr.gov.bd or, kamanashish@nbr.gov.bd) is highly appreciable.
